“ *To MaryAnn and Janet*

*I remember your Dad well and always will. Your Mom is also in my prayers at this time. My parents, Donald and Frances Whitehead, were good friends of theirs and spoke highly of both of them throughout our life. They have always been part of my memory bank and the days back at OLC. Our neighborhood will always bring by a smile. Your Dad was such a kind and gentle person. He was a good man.*

*One of my favorite pictures of my mother was with her sitting on a fence with your Mom. They both had shorts on and sun hats. It looked like such a happy time.*

*Wishing you and your whole family peace at this time. Keep your memories in your heart forever!*
