“ Erik was one of the first few people I knew when I moved to Buffalo five years ago. I am so blessed that we became friends. I still remember he said hi and waived at me when I first moved in upstairs and he was smoking on the porch. When M told me the sad news, I was so shocked. He was so talented and generous.

Miss him and hope he is in a better place now. RIP Erik.

“ Sorry to hear of the passing of Erik. He will be missed by our Buffalo Bills tailgate group.  
He liked to take part in the cooking and it was his idea to do a Christmas Wassail at the tailgate.  
Our sympathies to the family... Rob, Cathy, Zach and Riley Slater.

“ *I worked with Erik at Schuele paint. I remember him as a witty, intelligent guy who loved his friends and family, especially his little niece who he let paint his toenails in rainbow colors.  
He loved Annie Lennox, and all kinds of good music, and had a vast knowledge of a lot of subjects.  
My sympathies to his family.*
