“Erin was such a little sweetie when Tyler brought her into our second grade classroom at Gilmore School. Tyler was so attentive to his little sister as you told the students about Special Needs Children. God bless you all and may Erin Rest in Peace. She is in a better place.

“ It was an honor and privilege to of been Erin's friend and nurse. She has the most beautiful smile and gorgeous soul. Your family is one of the best I have ever met, so kind and caring and surrounded her with such love. I'll never forget my time I had with her. From her infectious laugh, her Beautiful hair, her love and appreciation of everyone and everything around her. Thank you Roxy for being so faithful.
