“ I remember Ms. Smith as being the kindest woman I hve ever met and I considered Gena to be the luckiest girl in the world to have her as her mother. I do not mean to intrude. I am sad at her passing. Forgive me. Kindest regards, Robbie

“ Mom,

*Today is Mothers Day and I think of you every day....not only today. I miss talking to you every day like we did for so long.*

*I'll write more again soon.....rest in peace and we'll meet again.we won't leave you by yourself. Dad misses you and he seems to be doing quite well....I know it was very difficult for you. You did the best you could, as always. Happy Mother's Day with all my love. ed*
