“ Dear Margaret ,Bruce, Judy, and all of the Goerss family,
We were very sad to read of the passing of Gene. We haven't seen
you very much, but thought of you often. We always remember him
saying retirement was the best job he ever had. May all your fond
memories comfort you.

“ Dear Margaret,
Sorry to learn of Gene's passing.

Some of my fondest memories of being associated with the UCHS are due to Gene and his leadership skills and the kindness he showed to everyone he met.

After 67 years of marriage I'm certain that you will miss him, but rest assured he's at peace with God and surely singing in His Choir.

*Fondly,

“ I’ve known Mr. Goerss since I was 4 years old. He used to tease me about my blonde Curley hair. Many years later I was reacquainted with him and Margaret and had the pleasure of helping them with their landscaping projects. Gene loved the outdoors and his family. If you wanted to know the weather or how much it had rained he was the go to guy. Most of all I remember his patience and kindness. My condolences to Margaret and family . Tom Ballou
