“ *This is Barbara Gordon. Aunt Ev was mother's (Lee) very close friend. I always admired Aunt Ev's straight talk, kindness, along with her athletic and artistic ability. Cousins, know you are not alone in missing her. I talked with her periodically, not that long ago. My brother. Jim, and I have pictures of her from the past. If you would like to reach me, please email: yuge222@yahoo.com*
