“ I will always remember Florence from her years at Sweet Home Church. She sang in the choir, and played the organ for my wedding in 1983. She also gave my daughter piano lessons for two years. Please accept my deepest sympathy in your loss. She was a great and gracious lady with a delicious sense of humor and I shall never forget her. Sincerely, Judy (Edith White's daughter)

“ As a member of First UMC and a member of the Bible Study and Prayer Group that Vernon and Florence belonged to I have many fond memories of Florence. Her gentle spirit and her caring manner were an inspiration to me. I was awed at her fantastic memory for the many remembrances that she and Vernon had for their ministry. They frequently used their memories as illustrations to help us understand our studies. We enjoyed her sense of humor and how she always showed her intense love of Vernon and all family members. I wish that each of her family will find solace in the wonderful legacy that she has given you and all whose lives she touched.
