“ So sorry for your loss. Frank was a delight. Although I only knew him for a short time while he resided at Brookdale he was a joy to get to know. Sending wishes for peace and comfort at this time to all who knew and loved him.

David, my condolences to you and your family. I had fond memories of "uncle Frank". My father always spoke very highly of Mr. Guido and his family, I know they were close. One time my parents were out of town, and Mr. Guido was tasked with watching me. He told me I was going to eat the green beans that were served to me. I warned him if I eat them I will throw them up. Regardless, after his glaring stare I ate them, then I threw them up.

“ Thank you for being so kind to me when I first met you at Allied Building Supply in Buffalo. How would I have known that after all the time we would keep in touch with simple phone calls or when I would stop in to see you and the crew over at The MJA Co. I thoroughly enjoyed the trainings we would do and the conversations that you me and your brother Jim would have about life living in Buffalo NY. I especially want to thank your brother Jim for bringing us together a couple months ago so we could break bread like true Italians love to do for what was the last time. Rest in Peace buddy. You are leaving quite the legacy behind. Continue to smile up there and brighten everyone's day. God Bless You Frank Guido.
