“ We will miss seeing Frank next door! My son Dan wanted me to share a memory when he was little, and he shut our back door and it locked, and Frank was home at the time and he saw us struggling to try to get in our bathroom window, so he came over and helped take the window off because it was locked, and then helped Dan get in the window to unlock our door! What a wonderful neighbor! The entire family is always there for us! God Bless you! Love, Linda Pearson
