“ I knew Fred for just 4 years from work at Durez... he was the calmest and collected person out of the bunch. I am sad to hear of his passing. He never said a bad word about anyone. I hope his peaceful existence transcends into a peaceful afterlife.

I miss you more than you will ever know. I looked forward to seeing you and Kathi on my trips to NT and hanging at Partners for an evening of a couple beverages, and Kathi picking us up to visit Mighty Taco in the wee hours of the morning.

I will never forget the time we went to see Blue Oyster Cult at the Aud in March of 78. Good time my friend.

I love and miss you my brother.
