“ *Dear Jim, Kelly and Missy,*

I was saddened to learn of Gail's death all the way down here in Kentucky where we live now. She fought a good fight, but in the end, I feel it's better to just get to our Lord and Savior, Jesus Christ and let Him take you Home. That's how we got my mom to just let go and GO. It seems heart-breaking, but it's really a blessing. My heart goes out to all of you...

Love,

Janet
