“ I just found this, as I came across some photos of Garry when we were teenagers and wanted to see if I could find him to reconnect and see how his life has been. He was a part of my life for a short time when he lived in Canaan, but we had some great memories together. He got me listening to Rush (which I've been twice to their concerts as an adult and had backstage passes). I remember how much he loved Emerson, Lake, and Palmer too! He was a stickler on proper English as we used to write to each other for a bit. This makes me so sad to know he has passed away at such a young age. My thoughts and prayers are with you all.
