“ This Man, Gary Lum, was the first person who was at my accident, on the corner of Robinson and Payne Avenue in North Tonawanda, so many years ago. After I was a passenger in the car when the drunken driver... and he was a Tonawanda police officer s brother who was let out of JAIL, a short time later, and he was going 60-90.miles a hour when he struck the car that I was in. But Thank God that Gary Lum was so very concerned with my life, and his work for me until the Paramedics arrived. I just wanted to be able to say that I Thank him ! 💜🇺🇸🕊️ even as I have just found out that he is not with us anymore. ! 😊Always Corrine BROCK

“ Thank you Gary for being such a good neighbor and friend. We always knew from the first day we moved here, that we could count on you and Mary. You were the first person to welcome us here. I cherish the times we just hung out in the yard, you on your tractor, and me gabbing about "stuff". Your deep concern and thoughtful advice will always stay with me. Things will not be the same without you, but we look forward to the future when we'll see you again. Good bye for now friend.
