“ My sympathies to the family of Mr. Falzoi. I was a Spruce student, NTHS grad turned Elementary Teacher. Mr. Falzoi was my cooperating teacher in my second placement of student teaching. He taught me much about teaching. I was saddened to hear of his passing this morning. Wishing you peace at this difficult time.

“ Gary Falzoi was a very special man and dear friend. I had the privilege of working with him at Spruce School for a number of years. He was an excellent teacher, caring and kind, wanting only the best for his students.

Gary's family meant everything to him. He always kept family pictures on his desk and ready to share, along with anecdotes about activities of the family, that he was incredibly proud of.

Gary was a very gentle man. I will remember him as a man of strong faith.

I will always be thankful for Gary's friendship.

*Sincerely,
Doris Snyder*

“ I first met Gary when I was a student teacher at Spruce in the late 1960's. He was one of the teachers who were warm, supportive, and encouraging to me and the other student teachers. After being hired by North Tonawanda and teaching there for 32 years, my path often crossed Gary's. And just as he was in my student teaching days, Gary was friendly, encouraging, and caring. He had a wonderful sense of humor and a near-constant smile on his face. I will miss chatting with him at our "Ha Ha" retiree luncheon. My condolences to Gary's family. Know your father/grandfather was a man of dignity and integrity.

“ It was an honor and a pleasure to have worked with Gary for the many years he was also an Immigration Inspector for the Niagara Falls Port of Entry. When I would come into work and see that Gary was working the same shift as myself, I knew it was going to be a great night. Gary had a wonderful sense of humor and an uncanny ability to keep things in perspective. He always saw the forest for the trees! Godspeed, Gary & and thank you for many pleasant memories!
