### Teardrops

Teardrops are falling. We embrace this sad day.

A sweet little baby has just passed away.

So perfect his spirit, so perfect his love,

So perfect a gift from a Father above.

Our child, your family is grieving this day.

In our hearts God has told us why you couldn't stay.  
A spirit so special, so perfect, and pure,  
Should not have the trials of this life to endure.

You wanted a family, that is why you came.  
To be loved on earth, and given a name.  
Then back to our heavenly Father you went,  
Fulfilling the mission for which you were sent.

Although our grief is heavy this day,  
We know you are happy, and not far away.  
Loved ones have gathered close to your side.  
Life is eternal.....you have not really died.

Know that we love you with all of our hearts.  
We will see you our dear one when this life we part.  
Save us a place where we will be close to you,  
In joy we will embrace, as our love we will renew.

“ I love you Giovanni, so so so so so much! Since the day I found out your Momma was going to have you, I was filled with joy and jist couldn't wait to hold you. I am so so grateful that I got to hold you, carry you, and love you. I am sad about all the things I wont get to do with you or see you do but the joy I feel from knowing you and being your Auntie is far greater than any sadness. I know you're not far. We can all feel you in the air and in the sunshine. Please watch over all of us but especially Mommy amd Daddy, they really need it. This isn't good bye, Giovanni, it's see ya later. Save a good spot for all of us
