“ I actually could Wright a book of our escapades when we were much younger! Gloria was more like a Sister to me and we shared good times and bad. I used to tease her about not coming to my Daughter, Kim, 1st Birthday party. Some excuse she had going into Labor and having Diane that day. Haha! Diane and Kim are friends to this day! I will always love Gloria and keep her memories in my heart forever!

“ Aunt Gloria was my favorite aunt. She helped me in my teenage years. I even lived with her for awhile. She was there when I needed her. I will miss her very much!
