“ It is with a heavy heart that I bid farewell to a man that I have always held in high regard and with utmost respect since the day I met him while he was in the line of duty. He was a credit to his uniform and when he retired it was a great loss to all of the communities that he served.

I wish to extend to his family and loved ones my deepest and most heartfelt sympathy for their loss. Please rest assured that Gregory J Lloyd will never be forgotten by anyone who had the privilege of knowing him and calling him friend.
