“ *Deepest sympathy to my cousins and their families. "Aunt Gwen" was a remarkable lady whose smile and kind words will never be forgotten. St. Louis needs a Molnar's Restaurant - this city doesn't know what real fish is!*

“ *A full life lived but still so sad. We will miss knowing that Aunt Gwen is no longer with us. Our memories of her visits here and our visits to New York are cherished ones. That she lived to see her book published, and that I had a small part in it, makes me feel very proud.*

We wish that we could be there with you, and that we could have seen Aunt Gwen more often, but the distance between our homes is just too far.

*Our love and deepest condolences.
