“ I had the honor of knowing Harold for some time. I was working on the switchboard and he would come down to have me fax his timecard and we would chat a bit. He was a wonderful person.

“ Marilyn, I know how much you will miss Harold. He will always be with you in the beautiful memories you have of times spent together. He was so warm and friendly. I know he enjoyed coming here and having Sadie (cat) snooze on his lap while he petted her. God Bless and comfort you.

“ Marilyn - my thoughts and prayers are with you in your loss of your brother and best friend. I know how very close you were to Harold and how deeply you will miss him. He was such a sweet and gentle soul with such a contagious smile and wonderful wit. I will always have wonderful memories of our Christmas together with Maggie and Andy, and dinner at the Country Cottage. It was so good that you shared him with us. Remember that Bev and you and I are the "3 Musketeers", sisters , and that we are always here for you. Praying the love of Jesus and the comforting power of the Holy Spirit will be with you during this time. With Hearfelt Sympathy, Love Pat
