“ Words cannot express my sadness in the loss of Harold. We attended West together and he was a part of the best class at KWHS, the Class of 77. I remember seeing him in the halls and around the Village. Always so nice, cheerful, and just a really pleasant guy. With my sincere and deepest sympathy he will always be fondly remembered.

“ Terry,

I am so sorry to hear about Harry's passing through this obituary that was forwarded by a friend in Buffalo. Harry and I were best friends growing up and we had so many good times together. He was the best man in my wedding back in 1983, but I moved away from Buffalo after getting married and Harry and I fell out of touch a number of years ago. I want to wish you and your family my deepest sympathies and wish that I could have had a chance to reconnect with him. Although we lost touch, as often happens when people grow older, I thought of him often.

With Deepest Sympathy,

Jim Metz
