“ Sorry to hear of Ms. Dempster's passing,, I will always remember her laugh and smile! I always loved how she was so laid back, and can see how she made a wonderful principal. I will bet she was very fair and understanding! A life well lived,, rest in peace.

“ I have many fond memories of Ms. Dempster while I was a student at Dexter Terrace Elementary. She was a gentle person who cared for her students and with her guidance she helped students achieve their goals.

Hard to believe its been over fifty years since I last heard her on the loudspeaker with the morning announcements.

I can only hope that we all remember her dedicated service to the community and follow in her footsteps. If we do, our kids will be better for it.

Thank you Ms. Dempster for all you have done.

“ I was a student at Dexter Terrace Elementary during the 1960's and while I only remember her slightly, my mother who was an active PTA member knew her well and has nothing but nice things to say about her. She also remembers seeing Miss Dempster often at DeGraff doing volunteer work. I'm pleased she had a long and fruitful life.

“ A kind soul. Spent to much time in her office. My mom was her hairdresser later in life. I enjoyed seeing her in the shop. R.I.P. Miss Dempster.
