“ *Became a friend & fishing buddy of Harry's about 10 yrs. ago when I joined Brauer's Fishing Club. Shared a lot of good times fishing the Niagara River & Lake Erie. Remember lots of good "Harry" stories. One day, we were fishing Wilson Harbor. Catching fish, but Harry was way out in front. By mid-afternoon, the wind really kicked up. At that point, Harry says, "We'll, time to pack it up - we got white caps on the minnow bucket!" We'll never forget that. Rest in peace Harry. Just want to say that my life is definitely better because I knew Harry Gerlach.*

“ *There is a warm and loving sole in all of us and I'm thankful to have known Harry Joe's and to know that he will rest in peace now with those that had loved him and whom he follows now. I'm glad my cousin Harry Joe and I had the chance to see each other last month even though Chuckie tried to chase me away. Love, thoughts and prayers for all the family.y*

“ Dear Harry - I was so sorry to hear of your passing, but I do know that my dad has been waiting for his favorite fishing partner and no doubt, you are all celebrating in heaven right now...  
Thank you Harry, for all the times you spent hanging out with my dad and all the good memories you left behind for the Corio family and my son Ed.  
You will never be forgotten.
