“ Beloved mother/mother-in-law and grandmother, although you are greatly missed, we know you are free from pain, worry and sorrow. Your wish to be united with Dad, the rest of your family who have passed on before you and your Lord, have come to pass. Your loving daughter Kim & son-in-law Rick. (My only regret is that your son/my brother blocked other members of your family from showing their support in coming and paying their respects).
