“ *When my daughter, Lisa, married her son, Mike, she and her husband, Jim, welcomed our family into there home with open arms keeping us all together. I shall never forget this. We shared many happy holidays together. Two very generous people. She has taken a part of me into Heaven. I will miss her deeply. Rest in peace my dear friend.*

“ I agree with my Sister's comments. Your Mom always made us feel welcome. I also remember the wonderful smells coming out of her kitchen! She was a tiny power house, always working. She loved her family so much. My thoughts and prayers are with you all.

“ I grew up 2 doors down from the Labushesky family and have many fond memories. One that particularly stands out is how kind and generous Mr. and Mrs. Labushesky were to the neighborhood kids. We were always welcome at their house and spent a lot of time in the back room called "The Room" where we played endless board games, listened to records, and chatted with Grandma Barberio. Every summer, we were always invited to swim and ate plates full of sliced tomatoes fresh from the garden. Mrs. Labushesky was always working on something. If she wasn't cooking, she was cleaning the house to spotless perfection, cutting the lawn or gardening. Her family was everything to her. Viki, Mike, Laurie and your families, I will always remember your Mom's strength - she was tiny but mighty, her boundless energy, and her beautiful smile. My sincere sympathies to you all. Love; *Amy Loucks-DiMatteo*
