PS

“ *Thinking about all of you and sharing the sadness of Jim's passing. While Jim was proud of his military career and always enjoyed his fishing and hunting adventures, family was always priority number one and he loved every one of you unconditionally. I have wonderful memories of visiting you in Texas and North Tonawanda with Effie driving me to the shopping malls and Jim in charge of the evenings social activities. Take care of each other and remember, he will always be with you in more ways than you can imagine today.*
