“ I knew Ivy from the Metro 61A bus. She was a true angel on earth. She was always sweet, with a smile on her face, and a kind word for everyone. Ivy will be missed and the world turned a little darker when she left it.

“ I knew Ivy from the Metro 61 bus route. She was one of the sweetest persons I have ever known. When Ivy had surgery I went to the hospital to visit her, bringing her a teddy bear and flowers. There I met her wonderful mother and father. My heart goes out to them and her family. I know Ivy has found peace with the Lord. I shall miss her, even though I lost touch with her these past couple of years. Sleep sweetly, Ivy. I will keep you in my heart always.
