“ Jack & I shared a great 21 years together. It's a shame his family wasn't a part of it but at least I have wonderful memories. Miss you & love you still.

“ We traveled many roads together , went to dozens of concerts , car races and many , many nightclubs over the years. We were even in jail together a couple of times LOL . I Will never forget the good times we had in BOCES especially riding on the bus doing the crazy antics we did. We always had each other's back . I will never forget what a faithful and dedicated friend you were . You are now with your Heavenly Father for eternity.
