“ *Many memories of my beautiful sister Jackie, but the best one I think of often, is when she asked me if she could have a sleepover with some of her friends. My husband was hunting so I was glad to spend time with her. There was 8 years difference between us and it made me feel great when she asked. The girls were playing games so I went to sleep. I felt like there was someone in the room and when I opened my eyes they were standing by me with a bowl of water. I thought they were going to pour it on me but found out they were going to put my hand in the bowl of water..... glad I got up when I did*

“ I am so saddened by the loss of my sister-in-law who was more of a sister to me. I can say in the 50+ years of knowing her there were never harsh words between us. I have so many good memories that I will cherish. I pray for my brother Tom, Carrie Ann, Sherry, Tommy and their families. When my time is done on this earth Jackalena (my name for her) will be waiting with a Coors Light and we will again celebrate. Until we meet again my beautiful sister-in-law, sister, friend, All my Love, Kalleen ❤️
