“ Sheri,pete,kevin, Teresa Gary dani and Alex.

*My deepest sympathies. It's rare saying you have known someone as many years as we have known each other and your mother will always have a special place in my heart. I know nothing can take away the pain but I asked my dad to welcome your mom into heaven with open arms. Take comfort in knowing that the pain is now gone. She always made me smile and all she had to do is smile. If any of you need anything please don't hesitate to ask.*
