“ To my little sister the ones that knows her well when we were younger her nickname bones. my tears if my tears could build a stairway and a memory lane Id walk right up to heaven and bring you home again no farewell words were spoken no time to say goodbye you were gone before I knew it and only God knows why my heart aches with sadness and tears flow what it meant to lose you. you were always a compassionate loving sweet person you had a rough life Jamie and now you are no longer live in that life of pain you are with Angelina and used to girls love each other and seemed to enjoy each others company so now I know used to her hand in hand and keeping each other company when CarlaaRead Morend Nina she was crying because she was alone but I know now that is different and you are with her.
