“ Jim was a true friend and fellow worker at GM. In my 39 yrs I probably worked with Jim exclusively as a team for 12 yrs, we went on junkets for work, Bills game including the Super Bowl in L.A. , And many Bandits games, I can still feel his elbow nudging me when a good play was made So long good friend . You lit up my life with your humor and true friendship.

“ Jim will be missed by many. I will miss all the laughs we had. I was Jim's apprentice and I only wish I had half of his knowledge. I feel so fortunate to be able to call him my friend. I will miss him very much.

“ *I'll remember Jim as a very intelligent and true friend. We worked together for many years under some tough conditions and always made the best of it and had more than a few laughs together. I will miss him very much! I only wish I could have seen him one more time to tell him how much he meant to me. God Bless you Jim, Im proud to have been your friend.*
