“ Prayers and Love to the Brady Family at this difficult time. Jim stepped up to a special calling, to help a kid in need to help fill a huge void. From being Fred's football coach -- Jim thanks for making Fred apart of the "Brady Bunch." No words can even come close to what that has meant to my brother and our family. Memories came flooding back to the good 'ol days and your kind hearted nature, Jim. God Bless You and Keep You.
