“ My name is Marybeth, Jim did alot of work at my mom and dads about 19 years ago. He also worked with my dad (Jim Hudson) at GM. He was kind, hard working and such a hard worker, he would bring my son nate back a t shirt from his when he would go i think elk hunting out west? and was a staple at our house for quite some time doing various jobs.I am so sorry to learn of his passing, but no doubt he lived an amazing full life surrounded by many he loved, he spoke highly of all of you to us, especially Doris! xo

“ I am one of James Spoon's neighbors. Sending my condolences to you, Doris and family. James was a great neighbor, all my dogs fell in love with him instantly. I had the pleasure of watching him work on his property for almost 20 years and marveled at his sense of order and precision. Although we did not communicate much I know in my heart if I had an emergency Jim would have been there for me or my dogs. He was just made that way.

Sincerely,
The Damon Family

He will be missed by so many. He gave true meaning to this quote. " Anyone can be a father, but it takes someone special to be a DAD" He influenced my life greatly. My heartfelt condolences to all who lives he touched. Heaven gained an amazing man. I have many memories to keep in my mind and him in my heart.
