“ Aunt Janet was something special. I was her 'niece in law' and taught third grade in Huntsville, AL. Somehow she adopted my class and mailed us homemade cookies several times a year! You can't imagine how much my third graders loved her from a distance—really. :) Her legend lives on. God blessed us with her generosity and kindness.

“ I just saw that Janet passed. She was our favorite volunteer ever at Compass House. I loved seeing her and talking about so many things with her. She used to invite us to lunch at her house. I have such fond memories of Janet. May she rest in peace.

“ *Paar Family,*

My deepest condolences to all of you for your loss! I can tell from Dave that she was an amazing person, which he loved dearly! I recall Dave calling her daily to see how she was doing and of course, there had to be a laugh or two in those conversations. She lived a long life, which she was able to spend it with all of you, so hold onto those memories tight, but also share them with anyone you can, especially future family members!

Deep Sympathy,

Rodney Fodor
