“ *Wendy, Bob and all the Family ---
Uncle Bill and I are deeply saddened by your mother’s passing, and truly share your great loss. She was very much a part of our lives, and we loved, and will miss her, dearly. I first met your mother when I was 8 years old, and she became much more than a good friend to me -- more like a sister. Our memories of her will long live in both Bill’s and my heart. Always remember how much she loved each and every one of you “ you were all her pride and joy. We wish we could be with you to share all the joys and blessings that we remember as we celebrate her life. Please know, however that we will still be with you in spirit. Love from us all “
