“*Jeanne, was a wonderful person who always had a positive outlook on life. In getting to know her over the years she often shared her stories of the old Del and Herb's on Grand Island where I grew up. While she will certainly be missed it's nice to know she has been reunited with Zolle, who I'm sure has been fishing the streams of heaven waiting.*”

Matthew Fitzgerald - October 10, 2009 at 12:00 AM
