“ Jeff was a neighbor and a friend, someone you could depend on for a laugh or a helping hand. He loaned me his phone when I locked myself out, turned off the water for me when my faucet was leaking, and chased off the big barking dog that followed me to the dumpster. Our conversations ranged from politics to work to collectable toys. I will miss him, his kindness, and his sense of humor.

“ Sorry for your loss. Jeff was a good friend of mine and was in the MOOSE, K of C with me. We shared some great times and I am shocked by his passing as I was with our mutual friend Rob at 40 years old. Pizza Plant was his favorite place to try different brews and our trips to Ellicottville and Bob Fish's cabin for shooting and to the range will be remembered. I know his work place was tough and stressful but Jeff seemed to be ready for life's challenges. I wonder what caused his sudden death. He was a judge at the Eden Corn Festival for Classic Cars for a while and ran some shows at the Moose 992. My email address is hercules115@roadrunner.com and any member of Jeff's family may contact me if they wish.
