# Tribute Wall

“ *My deepest condolences to the martinelli family. I want you to know she loved each and every one of you and missed you.*

*My dear Jill. It's been a quiet without you. You were right as always. I do miss you now that you're gone. I miss so much about you from our vent sessions to our talks about everything else under the sun. I miss my 630am wake up calls and miss you yelling at me for calling during jeopardy. I miss you teasing me about being late to pick you up when I was just 1 block away. (Yes I'm still working on that, yes really I am lol) I miss your motherly advice and even the unwanted 2 cents you had to give. Our friendship started a little unconventional, but I wouldn't have it any other way. I love you Jill and will miss my favorite hot mess.*

*Ps had i known you and Marissa looked so much alike as kids I would've said you should've done a DNA test to see if we were related somehow. Oh that would've been epic lol*
