“ my love and condolences to the family on this loss. She was my aunt, and even though I didn't get to see her often, my memories of her are very dear to me. I recently moved into America and wanted so badly to reconnect with this family, I am filled with sorry with this loss.

“ I need to say how much Joanne meant to me.I met her back in the early 80's ,when our kids were little.We were neighbors BUT we didn't want to get involved with that.Well our kids wouldn't allow that, so we had to meet each other.It was love at first sight!We started doing everything together.Coffee ,fill the pool, hang up laundry, sun tan ,and watch the soaps.I that order. At one point we lost touch with each other ,for about 10 yrs .BUT when we found each other ...it was as if we never missed a beat.I love you so much Jo ! I will see you again soon .I'm happy you are with Vinny and Your Mom ,Dad and Brother..  
for now
