“ Dear Family,

*please accept mine and my families deepest sympathies and condolences for your loss. In those hard times, our thoughts and hearts are with you. I have had the opportunity to get to know Tina for a full year living with her and her family as an exchange student. She was a warm, welcoming, open minded woman with a wicked sense of humor I love and a great great heart. She truly changed my live and helped me become the person I am today. I will be forever greatfull having been around her and her family. I have not spoken to her as much in recent years as I would have liked, but she was always in my mind and thoughts.*

*Tina, you will be missed deeply!!*

*With love,*

“ I was so saddened to hear of Tina’s passing. I had the good fortune to work with both Tina and Pat for several years. Tina always impressed me with her smarts, outstanding sense of humor, enthusiasm, but especially her large heart and compassion for others.

*My sympathy to her family and friends whom she treasured. My heart goes out to you during this time.*

*Hugs to all,*

“ Tina was such a wonderful, funny, loving, giving soul. From the moment I met her, she was nothing but kind. Her sense of humor is what stuck with me the most; working with her, we shared many many laughs and many dirty jokes :) Though we haven't spoken in quite some time, I will greatly miss her. Her smile, her laugh, her spirit, every one who knew her, loved her. My deepest sympathies to her family. May she rest in peace.
