“ *Same John Law? Tall, young man with rosy cheeks.*

*Perhaps 13 years ago, he wanted a tan so badly, he went to a tanning salon and was turned lobster red.*

*On a more serious side, when there was a fire in the basement of a business where he worked, it was John who most willingly did the clean-up. He was even nominated for employee of the month for that feat. He didn't win, but he gained respect.*

*Even though John's life was challenging, he stepped up to some challenges.*

*He carried a photograph of his daughter and proudly showed anyone he could.*
