“ Sue, And family, I met your father on his lvisit to Colorado. He was a kind compassionate and such a gentle soul, He always had his camera ready to take pictures. Also I recall the recent Christmas video clip of your father playing Christmas songs on his harmonica. What a joy!  
I'm sorry for your loss. May you and all of your family find much joyfulness in memories of your wonderful father. Keeping you all in my prayer!  
Sending much love!

“ *My late father, Patrick Higgins, was in the Wells Hospice House. I saw Linda there every day, caring for John. He was lucky to have such a loving, devoted daughter. When my dad's hospice journey was coming to an end just before Christmas, Linda saw me in the hallway and gave me a big hug. Well, I'd like to return the sentiment to you, Linda, and to your whole family, along with my deepest sympathy. May you find peace and comfort in happy memories.*

“ *Dear Judy and Family,*

*Sorry to hear that John has passed and hope you can feel him close by. He definitely was an amazing man, and I am very happy that I had the opportunity to meet him a couple times. Judy he was so blessed to have you taking care of him and spoiling him:)*

*Have to have special lunch to laugh, cry, and rejoice that Jesus has him now. Doesn't make it any easier, I know.*

*Sending hugs,*
