“ *To the Finiki family.*

I have had the privilege of sharing time weekly with John over the past 25+ years.

He was a model spokesman for the definition of integrity, would give to others in need - some he knew, some he didn't; always managed a smile even in the darkest of times. A very special person and MAN!!!

I am thankful and blessed that I had the HONOR to know him and cherish him as a friend. His loss cannot be measured.
