“ Uncle John had the greatest memory, the questions I asked; the stories he told.
The memories are precious. My most memorable was helping him paint his car Green (I must have been about 9 yrs old, and I'm sure he only let me do one little stroke of the brush), the car was called the "Green Hornet". Always smiling, calm and loving; he will be missed.

“ Gosh, how I loved Johnny. We had such good times. The best time I can remember is when we went to visit Aunt Jess in May 2003...It was the last time before she passed away. We had a great time together - even when we got lost. Aunt Jess was so happy to see us. On the way back, we stopped at the Millenium Theater in Lancaster, PA to see the show - Daniel. Johnny said it was the best thing he ever saw. He will be missed.

“ We were so privileged to know Johnny all the years he and Jessie were companions. He was a dear friend and our kids still lovingly remember him as Uncle Johnny. His happy attitude and smile will be missed.

“ *Uncle John was a great uncle. He was very friendly with the children. He smiled alot and loved his dog. I remember the time he brought a lot of chocolate candy for his nephews and nieces. It was too much and I got sick. I also remember him cutting Grandpa's grass in the summer.*
