“ To the family of Mr. Jack Waters. We were saddened to hear about your loss. I (Barb Case) worked for Moore Business Forms and for Mr. Jack Waters in the Credit Department in the 1970s. I have always maintained that Mr. Waters was the best boss that I ever worked for. He was very professional, helpful and kind. Since I was extremely organized, Mr. Waters would come by my desk and knock over the pile of folders that I would have waiting for pick-up. When I became engaged, Mr. Waters would come by and always caught me looking at my ring! I am certain that I would have remained at Moore if I wouldnt have moved to New Jersey with my family. Mr. Waters made it a pleasure to go to work and do a good job. Our sympathy and love to the entire family. Barbara and Frank Battino

“ Mrs. Waters, Lynne, Pattie, Jim and Eileen: it is with saddened hearts that we heard about Mr Waters. He was such a nice man and we think of you both often. We have enjoyed our visits when we came to Buffalo and will always remember our fun times growing up and being neighbors. God Bless and know you are all in our hearts and prayers during this time.
