“ I knew John from living across the street and my sister was good friends with his daughter Michel. But some yrs back John came in to my store to order food and I told him who I was and asked him about his daughter. Then every time he came in I always loved taking care of him. He was a very good person and was so nice to talk to . I'm so sorry for your loss.

“ *George was the best brother-in-law one could ask for. He was a loving, kind man who was loved by many. During the last 20 years I didn't see him much but still always tried to stay in touch from down in Florida. He was Godfather to my son Chris also in Florida. He will truly be missed. RIP Uncle George. We love you*
