“ John was a valuable resident to his hometown of Cheektowaga. His expert knowledge was an asset when he served on the town's planning/zoning board. His hobby of trains and trolleys, and old cars, was happily shared with others. He was a board member of the Erie County Historical Federation and the Cheektowaga Historical Society. We have missed him the past few years since he was taken ill. Rest in peace. -Maureen Gleason, Town of Cheektowaga Historian
