“ I have great childhood memories with you Uncle John. Camping in Java. The pig you kept in your truck. Sniping with burlap bags. The huge bonfires AND the "suffocate" game. RIP Uncle John. You are loved & will be missed.

“ Uncle John, I will remember you sitting and visiting in the basement of 118 3rd Ave with your good buddy, my dad. I will remember you and Max. And I will always remember you asking whether I want to play suffocation. I love and miss you. I wish I could be there in support. Love, Kibby
