“ Judy,
John was not only the neighborhood mayor ha ha, he was my friend. John was the first person to help me after the " Oct. Storm", he had a chainsaw in one hand and Phil Swartz in the other who by the way didn't even get the chance to put his teeth in that morning! I hope to remember John's smile for a long long time. I will miss him. My condolences to you and your family, your neighbor to the East,
