“ *Joe was an exceptional man. I worked with Joe at the IRS for several years. He was a great boss and coworker. He will be missed by all.*

“ Joe was an extraordinary man. He loved his family and community. 40 Years ago Joe and Sharon with their boys in tow worked to win relocation for residents at Love Canal. Once moved out he continued his work as a volunteer treasurer for the Love Canal Medical Trust Fund. He explained accounting things to people like me, math is not my strength, in ways that I could understand and he protected and grew the funds so that his children and mine would have the ability to be supported for medical costs if ever needed.

I love Joe like family and will miss his kind gentle mannerism and sense of love he had for life and people. May he rest in peace.
